Dear Parent/Guardian:

**It is the goal of the Greenville R-II School District to provide a safe, orderly environment to promote educational achievement.** As such, the district is providing student families with a copy of the discipline code, which is in accordance with the state mandate set by the Safe Schools Act. This Safe Schools Act was enacted in the State of Missouri to provide protection for all students.

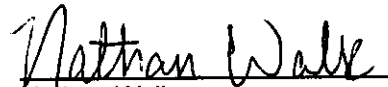

The law provides schools the opportunity to reprimand, punish, expel, or refer to law authorities, students who break specific discipline and safety codes. Please reference the below mentioned Greenville R-II District's discipline policies from the Board Policies and Regulations Handbook.

If you have further questions or comments, please contact the school office. The Greenville R-II School District looks forward to a safe and happy school year for our children.

Respectfully,

Rick Clubb  
Superintendent of Schools

Nathan Walk  
Junior High/High School Principal

Hannah Hancock  
Elementary Principal

Diane Meyer  
Williamsville Elementary Principal
